Hey, I am looking for a Full Stack Web Development position. Offer me an interview opportunity and I will demonstrate that I am a good fit for your company. I learn quickly, I am proactive, I have good mental ability to create algorithms. Also, when I work on a Web Site I think about user experience, company profitability, security, performance, architecture&scalability, best practices.

Give me one shot interview!?

## Work Experience

### Freelance Web Developer
Columbus, OH
February 2021 to Present

### Information Technology Specialist
Spectrum - Columbus, OH
July 2018 to January 2021

As a contractor in the Information Technology field, I installed residential internet, phone, and TV services.

### Direct Sales Representative
Spectrum - Columbus, OH
August 2018 to July 2019

In January 2019 and February 2019 I was two times employee of the month by having the most sales from around 100 salesmen.
The whole idea is that in anything I put myself on maximum I get maximum results, so sales was another confirmation of this statement.
